

Empress Dowager Tz'u-hsi

A Day in the Life

A Brief Biography

Tzu-Hsi was one of the most formidable women in modern history. She was known to be either a great friend or an awful enemy. Tzi-Hsi was famed mostly for her beauty and charm, but with that came her power hungry, ruthless when presented in the political court. forever.

About this book

She was born into a middle ranked family on November 29th, 1835. She was married by the age of 17 with an arranged marriage. With the death of her husband, Tz'u-Hsi became the empress of China. Both masterful and cleaver, Tzu- Hsi's legacy was an important one.
